**BEGINNING JANUARY**

So, mark your calendars, and take some time to watch your favorite classic episodes!

Do your New Year's Resolutions include eating healthier?!?

How about a resolution to drink healthier... InVINtions, A Creative Winery uses grapes from all over the world to make low sulfite wine, in the European tradition. We make wine with 1/10th of the chemical preservatives than you'd find in most wines in the USA!

Better for you, and tastes better too!
